

NOTICE OF PUBLIC HEARING FOR PROPOSED GROUNDWATER SUSTAINABILITY

(WATER CODE § 10728.4)

A public hearing will be held by the Merced Irrigation-Urban Groundwater Sustainability Agency (MIUGSA) proposed adoption of a Groundwater Sustainability Plan ("GSP") pursuant to Water Code section 10728.4. Under the Sustainable Groundwater Management Act of 2014 (Water Code § 10720 et seq.) ("SGMA"), at least 90-days prior to holding a public hearing to adopt a GSP, a Groundwater Sustainability Agency ("GSA") must provide notice to a city or county within the area of the proposed GSP (Water Code § 10728.4).

The three GSAs in the Merced Groundwater Subbasin collaborated on the creation of one GSP and collectively provided a Notice of Intent to adopt the GSP to the cities and the counties within the area of the proposed GSP on July 22, 2019. Each GSA will consider adoption of the Merced Subbasin GSP to be submitted to the California Department of Water Resources by January 31, 2020. The MIUGSA will conduct a public hearing on the date below. The public will have an opportunity to provide oral comments on the Merced Subbasin GSP.
